Mrs. Hoff Art 1   WELCOME!

Listen to speaker – while I am giving instructions, face me, voices off, and remain seated

Conversations - within reason, you can talk to those at your table when you are working. Use in-door voice. Yelling is not allowed. Gossiping, bullying and/or talking about another person are not allowed. I reserve the right to limit talking if I think that the class is not getting their work done, is too loud or is unfocused.

Use kind words – come with a good attitude.

Stay of-task – no roaming around the room; friendly conversation is allowed if working; put in your best effort.

Take care of art supplies – do not throw, break or ruin supplies.

Ask permission & sign out before leaving room – do not leave room to wander in the hallway or to socialize.

Late – you are expected to bring a late pass.

My desk – is off limits unless otherwise indicated

Portfolio – it is your responsibility to keep all your artwork in your portfolio until handed in for grading.

Clean-up – this happens 5 minutes before the end of class – put away your art folder & all supplies on or near your table (check floor)

Handing in artwork: First & Last Name, Team – goes on the back of ALL artwork or it may not be graded

Grading – plenty of time is given for in class assignments if you use class time wisely. If you do not finish, you may stay for extra help after school.

Food and electronic devices – NO FOOD or DRINK, other than water, is allowed in the art room. If you need to bring, leave on the counter near door. Electronic devices should also be left on the counter near the door.
